Yeshivas Ohr Yehoshua Nesivos Hatorah is a flourishing Yeshiva Gedolah in Ramat Beit Shemesh Alef. Founded four years ago by Harav Yosef Rubinstein Shlita with a handful of dedicated Bachurim, it has quickly blossomed to 85 Bachurim and 10 Avrechim. Its special Derech of learning and charismatic Rebbeim have attracted Bachurim from all over Eretz Yisrael. The Yeshiva has close ties to the well-known Rosh Yeshiva of Yeshivas Tifrach, Harav Hagaon Aviezer Piltz Shlita, who comes to Nesivos Hatorah on a regular basis to deliver a Shiur Klali. Every Zman several boys from Tifrach come to Nesivos Hatorah to learn in one of the different shiurim.

All of the Maggidei Shiurim of the Yeshiva were specifically selected because along with their Gadlus in Torah they have very warm personalities and are impeccable personal role models. It is said by people in Beit Shemesh that Nesivos Hatorah has the high caliber quality of the big Yeshivos yet in an intimate setting. It has already developed a reputation in the Yeshiva world for having Rebbeim who maintain close Kesharim with the Bachurim and inspire them to grow in their learning and Midos. Due largely to the examples set by their Rabbeim, the Bachurim of Nesivos Hatorah-Beit Shemesh have begun to earn a reputation of both excellence in learning and Menchlichkeit.
